

DATA PROTECTION

POLICY STATEMENT

The Stars Group (the "Group") has both a legal obligation as well as a reputational imperative to safeguard, securely maintain and process the personal information of its players as well as that of its personnel, in accordance with all applicable data protection regulations together with other applicable laws in the jurisdictions in which it operates.

As part of our commitment to safeguarding and ensuring adequate protection of personal data, the Group undertakes to:

- Ensure that all processing of personal data shall be conducted in accordance with the General Data Protection Regulations (GDPR) principles;
- Provide training for Group personnel on data protection legislation including, as applicable, GDPR and guidance on how to ensure the privacy of personal data processed across the Group;
- Set out in a Privacy Statement, its processing activities for personal information together with the general conditions for processing that it relies upon;
- Act promptly to address any requests for the erasure, amendment or rectification of personal information that it holds;
- Not process and/or use personal information supplied to it for purposes other than as permitted pursuant to any applicable data protection legislation or as otherwise permitted or approved by the relevant individual;
- Appoint a Data Protection Officer to ensure ongoing compliance.
